Ayurveda Approach for Prophylaxis and Management of Covid-19

About the college

Shree Ram Ayurvedic College & hospital is constituent institution under CERT Group of Institutions & Shree Ram Group of Institution, Meerut. The institution is being established as premier ayurvedic medical college and hospital to offer knowledge and skills to students on the basic principles and philosophy of Ayurveda. The institution has a philosophy of integration of the modern scientific research and advancements for providing best hospital care and support to the society at large. Shree Ram Ayurvedic Medical College and hospital offers inclusive medical education involving advanced academics and extracurricular activities to develop students as best medical professional and responsible global citizens.

About Webinar

Covid-19 is a pandemic. The cases of Covid-19 are increasing rapidly in India. In the wake of Covid-19, it has become imperative to plan an Ayurveda approach for its prevention, prophylaxis and management, which could be adopted universally for the benefit of mankind and to serve humanity. Shree Ram Ayurvedic College & hospital, Meerut is going to arrange a Webinar on "Ayurveda Approach for Prophylaxis and Management of Covid-19". This event will be live through Facebook page of NASYA. The webinar is open for Students, scholars,
